

# Don't wait any longer! Take on the challenge!

Now Hiring  
**Automotive Dismantlers**

**Our teams recycle millions of tons of metal each year for the benefit of future generations.**

## LKQ Automotive Dismantlers will:

- Dismantle vehicles
- Remove all high-quality auto parts and usable core parts in a safe and efficient manner
- Load and unload reclaimed parts onto trucks, carts, pallets, etc.
- Work with manual, pneumatic and electric tools such as a percussion wrench or hacksaw
- The essential physical demands of a dismantler include being on their feet all day long and moving/lifting heavy items

**While knowledge of replacement parts for the collision repair industry is a plus, it is not a requirement if you have the passion to provide the best customer service!**
